## Local League Travelling Teams

### Rookie Ball and Older:

As we do not have enough players to form an Owen Sound House league for these ages, teams do travel.

Teams who travel will typically have one practice or home game a week on their designated night and travel to other centers can vary from week to week. The travel area can include Flesherton, Port Elgin, Walkerton, Hanover and Kincardine.

Parents often car pool, but it is the parent's responsibility to ensure their child is at the game and the coach is notified in advance if the player cannot make it.

Teams will typically play in their respective Year End Tournament which is a Western Ontario Baseball Association tournament held outside of Owen Sound. Tournament dates are during the month of August.

Our Season runs from mid-May until the respective division's year end tournament in August.
